

### **The new Multi- Stripping- Curry- comb named Coat-King, indispensable for every groomer.**

Our new and revolutionary Multi- Stripping- Curry- Comb was tested very hard from various well known Groomers and in the result all of them named as “indispensable”.

#### **Friendly for pets**

Grooming without any pain !

All of our new Stripping- Curry- Combs are most suitable for **stripping, unravel and de- matting**. There is also no problem to work with all different kinds of coat.

- The coarse and the medium are used for preparing perfectly.
- The extra-fine (16 and 20 blades) are excellent for grooming heavy coats.
- The super-fine (20 and 26 blades) are most suitable for all kinds of Spaniels as well as for shaggy kinds of coat.

The Coat-King is cutting, but his first profession is to strip and to comb out all the dead hair. This will be reached by very special grinded blades.

#### **Friendly for groomer**

Our new Coat-King has an **ergonomically ,extra long and absolutely balanced wooden handle** for stress-less working. The positioning of the blades in straight extension of the arm of the groomer is excellent for an easy job as possible.

**The articulations from the shoulder, the elbow as well as the hand will be easy on**, so the Coat-King was made for the hard job in a groomer’s shop especially.

#### **Friendly for your time**

The new Coat-King will give you an enormous advantage in compete to the old fashioned style of grooming, because he is contending **three steps of grooming into one**. Your pet will be happy, because the time-killing procedure of grooming could be done in nearly the **half time than before**.

#### **Friendly for your money**

Because the new Coat-King has an modular-blade-system, you could change the blade-set and replace by any of our 10 different types very easily and quickly. So you will have the advantage to use the right blade-set for the right pet always. So there is no need for you to all the different Coat-King’s, but only the different blade-sets.

**By this above you will save money too.**
